- 32.2 A member of the Board of Management shall be appointed for a maximum period of four years, provided however that unless such member of the Board of Management has resigned at an earlier date, his term of office shall lapse on the day, in the fourth year after the year of his appointment, on the last day of the month in which the annual General Meeting is held. A member may be reappointed with due observance of the preceding sentence. By resolution of the General Meeting of Shareholders, the maximum period of four years may be deviated from. If the binding list of nominees has not been drawn up in time, the General Meeting of Shareholders shall be free to nominate and appoint candidates of its own choice. Nominees for any one vacancy may not at the same meeting be nominated to fill any other vacancy.

- 32.5 As soon as possible upon the occurrence of a vacancy, the Board of Management shall send out the letter as referred to in the first sentence of paragraph 4 to the holders of priority shares. The right of the holders of priority shares to draw up a binding list of nominees as referred to in the preceding paragraph shall not be affected in the event that the letter of the Board of Management remains forthcoming.

- 32.7 A nomination shall be included as an item in the notice of the general meeting at which the appointment shall be considered, including a statement as to who has made the nomination.
- 32.8 In the event the meeting of holders of priority shares has not drawn up a binding list as referred to in paragraph 4, a resolution to appoint a member of the Board of Management, not nominated by the Supervisory Board, shall be adopted by at least a two-thirds majority of the votes cast, if such majority represents more than half the issued share capital.
- 32.9 If the General Meeting of Shareholders has not appointed a person on the basis of a nomination referred to in paragraph 6 and no other person has been appointed with due observance of these Articles, a second General Meeting of Shareholders shall be convened within three months after the date of the original General Meeting of Shareholders. The provisions of paragraphs 4 up to and including 8 of this article shall apply in respect of this second General Meeting of Shareholders.

- 35.4 If more than two members of the Board of Management are in office, the Chairman or his Deputy shall cast the deciding vote in the event of a tie.
- 35.5 The Board of Management shall draw up a set of regulations, including provisions in respect of, amongst other things, a conflict of interest between the Company and a member of the Board of Management.
- 35.6 Adoption and amendment of the regulations by the Board of Management shall be subject to the prior approval of the Supervisory Board.
- 35.7 The Board of Management may also adopt resolutions without holding a meeting, provided such resolutions are adopted in writing, by fax or by way of another form of communication that is generally accepted as use for recording in writing, and all members of the Board of Management have expressed themselves in favor of the proposal concerned.
- 35.8 The Board of Management may cause one or more of its powers or activities to be exercised wholly or partly by one or more of its members whom it has duly designated therefore.

Article 36

- 36.2 If all the members of the Board of Management are prevented or unavailable, the Supervisory Board shall be responsible for the conduct of the business; in that event the Supervisory Board may also provide for temporary replacements or elect to delegate such responsibility for the conduct of the business to one or more of its members.

Article 37

- 37.1 A member of the Board of Management may be suspended from office by the Supervisory Board and the General Meeting of Shareholders. A member of the Supervisory Board may be suspended from office by the General Meeting of Shareholders. A resolution of the General Meeting of Shareholders to suspend a member of the Board of Management or of the Supervisory Board may only be adopted by a majority of at least two-thirds of the votes cast. - 37.3 A suspension from office shall cease to be effective if not followed within three months by removal from office.

Indemnification of members of the Board of Management and the Supervisory Board

Article 38

Unless Dutch law provides otherwise, the following shall be reimbursed to current and former members of the Board of Management and Supervisory Board:

- (i) the reasonable costs of conducting a defense against claims based on acts or failures to act in the exercise of their duties or any other duties currently or previously performed by them at the Company's request;
- (ii) any damages or fines payable by them as a result of an act or failure to act as referred to under (i);
- (iii) the reasonable costs of appearing in other legal proceedings in which they are involved as current or former members of the Board of Management or Supervisory Board, with the exception of proceedings primarily aimed at pursuing a claim on their own behalf.

There shall be no entitlement to reimbursement as referred to above if and to the extent that (i) a Dutch court has established in a final and conclusive decision that the act or failure to act of the person concerned may be characterized as willfull (“opzettelijk”), intentionally reckless (“bewust roekeloos”), or seriously culpable (“ernstig verwijtbaar”) conduct, unless Dutch law provides otherwise or this would, in view of the circumstances of the case, be unacceptable according to standards of reasonableness and fairness, or (ii) the costs or financial loss of the person concerned are covered by an insurance and the insurer has paid out the costs or financial loss. The Company may take out liability insurance for the benefit of the persons concerned. The Supervisory Board may give further implementation to the above with respect to members of the Board of Management. The Board of Management may give further implementation to the above with respect to members of the Supervisory Board.

Fiscal year and annual financial statements

Article 39

The Company’s fiscal year shall be the calendar year.

Article 40

- 40.1 Each year not later than on a date to be set by the Supervisory Board, the Board of Management shall submit to the Supervisory Board for its consideration a balance sheet at December 31 of the past fiscal year and a statement of income for such fiscal year together with explanatory notes to these statements, to be collectively designated hereafter as the annual financial statements. The annual financial statements shall be accompanied by the report of the Board of Management and by the other information that, under or pursuant to the law, must be made generally available together with the annual financial statements.
- 40.2 The Supervisory Board shall examine the annual financial statements and shall take note of the report of the Board of Management, the report and the opinion of the Certified Accountant designated pursuant to the provisions of paragraph 3 of this article and by the other information that, under or pursuant to the law, must be made generally available together with the annual financial statements.
- 40.3 The General Meeting of Shareholders shall appoint a certified accountant or a body of certified accountants (the “Certified Accountant”) to audit the annual financial statements and to issue a report and opinion thereon. The Certified Accountant shall submit such report and opinion to the Supervisory Board and the Board of Management.

- 40.4 In the General Meeting of Shareholders, the Certified Accountant may, in relation to his statement on the fairness of the annual financial statements, be questioned by persons entitled to attend shareholders' meetings. The Certified Accountant shall therefore be invited to attend the General Meeting of Shareholders and be entitled to address this meeting.

Article 41

- 41.1 From the day on which notice of the General Meeting of Shareholders intended for the consideration of the annual financial statements and the annual report is given until the conclusion of such meeting, the annual financial statements, the report of the Board of Management, the Certified Accountant's opinion and the other information that, under or pursuant to the law, must be made generally available together with the annual financial statements, are generally available.
- 41.2 The general available annual financial statements shall, to the extent that this is possible, be signed by all members of the Board of Management and all members of the Supervisory Board.
- 41.3 If the signature of one or more members of the Board of Management or of the Supervisory Board is missing from the statements, the reason therefore shall be noted on the statements.

Interim dividend

Article 42

- 42.1 With the approval of the Supervisory Board, with due observance of subsection 4 of Section 105 of Book 2 of the Dutch Civil Code, and without prejudice to the provisions of paragraph 6 of article 43, the Board of Management may declare an interim dividend to be debited to the profit for the current fiscal year, the additional paid-in capital, or any other reserve not being statutory reserves.
- 42.2 An interim dividend of this kind may be paid wholly or partly in shares and may be restricted to one class of shares or one or more series of a particular class of shares.

Profit allocation; distributions

Article 43

- 43.1 From the profits as shown by the approved statement of income a dividend shall first of all be paid, if possible, on the preferred shares of each series, such dividend equaling a percentage of the par value plus such excess over par value as was paid at the time of the first issue of said preferred shares, which percentage is to be related to the average effective yield of euro-denominated Dutch government loans with a (remaining) life of nine to ten years, calculated and determined as set forth hereafter.

- 43.2 The dividend percentage for preferred shares shall be calculated by taking the arithmetic mean of the effective daily yields of the government loans, as referred to in paragraph 1 of the present article, as computed by the Central Bureau of Statistics and published by Euronext Amsterdam N.V. (the Amsterdam stock exchange) in its Official List, for the last twenty trading days preceding the day on which preferred shares of the series concerned were first issued, or on which the dividend percentage was adjusted, possibly reduced or increased, depending on the market conditions then prevailing, by not more than two percent, as the Board of Management may decide with the approval of the Supervisory Board, which reduction or increase may differ for each individual series.
- 43.3 For the first time on January 1 of the calendar year beginning at least ten years from the day when preferred shares of a given series were first issued, and every ten years thereafter, the dividend percentage of all preferred shares of that series shall be adjusted to the average effective yield of the government loans then applicable, calculated and determined as set forth in paragraph 2.
- 43.4 If and to the extent that the profit is insufficient to make the distribution referred to in paragraph 1 of this article in full, the shortfall will be paid as a charge to reserves, to the extent permitted by law. If and to the extent that the shortfall cannot be paid from reserves either, the provisions of paragraphs 1, 6, and 7 of this article shall not take effect in the subsequent fiscal years until after the deficiency has been made good. In the application of the provisions of this paragraph, the holders of the various series of preferred shares shall all be accorded the same treatment in proportion to the amount paid on those shares per series.
- 43.5 If preferred shares of a given series are issued during a fiscal year, the dividend on that series of preferred shares shall be reduced in proportion to the number of days of that year elapsed until the first day of issue.
- 43.6 The Board of Management shall be authorized to determine, with the approval of the Supervisory Board, what share of profit remaining after application of the provisions of the foregoing paragraphs shall be carried to reserves. The remaining profit shall be placed at the disposal of the General Meeting of Shareholders, with due observance of the provisions of paragraph 7, it being provided that no further dividends shall be paid on the preferred shares.
- 43.7 From the remaining profit, the following distributions shall, to the extent possible, be made as follows:
- (a) to the holders of priority shares: six percent per share or the statutory interest referred to in paragraph 1 of article 13, whichever is lower, plus any accrued and unpaid dividends;
 - (b) to the holders of common shares: a dividend of such an amount per share as the remaining profit, less the aforesaid dividends and less such amounts as the General Meeting of Shareholders may decide to carry to reserves, shall permit.
- 43.8 Without prejudice to the provisions of paragraph 4 of this article and of paragraph 4 of article 20, the holders of common shares shall, to the exclusion of everyone else, be entitled to distributions made from reserves accrued by virtue of the provision of paragraph 7b of this article.

- 43.9 Without prejudice to the provisions of article 42 and paragraph 8 of this article, the General Meeting of Shareholders may decide on the utilization of reserves only on the proposal of the Board of Management approved by the Supervisory Board.

Article 44

- 44.1 Distributions by virtue of paragraph 4 of article 20, article 42, or article 43 shall be payable from a date to be set by the Board of Management. The date on which a distribution is first payable on shares for which bearer certificates are in circulation or on Model I shares may be different from the date applicable to Model II shares for which certificates are in circulation.
- 44.2 Distributions by virtue of paragraph 4 of article 20, article 42, or article 43 shall be payable at the address or addresses in the Netherlands to be determined by the Board of Management, and at one or more addresses in every country where the shares in question are officially listed at the Company's request.
- 44.3 With regard to cash distributions on Model I shares, the Board of Management shall be competent to determine the manner of payment.
- 44.4 Cash distributions by virtue of article 42, or article 43, relating to Model II shares for which certificates are in circulation shall be paid, if and to the extent that these distributions are payable outside the Netherlands, in the currency of the country concerned, calculated on the basis of the relevant Euro foreign exchange reference rate as published by the European Central Bank. If and to the extent that, on the first day on which the distribution is payable, the Company should be unable, due to government measures or other exceptional circumstances beyond its control, to pay at the appointed place outside the Netherlands or in the foreign currency concerned, the Board of Management shall be entitled in its stead to appoint one or more places in the Netherlands. In that case the provisions of the first sentence of this paragraph shall no longer apply.
- 44.5 A distribution by virtue of paragraph 4 of article 20, article 42, or article 43 on registered shares shall be made to the person in whose name the share is registered, at the date set by the Board of Management for each distribution for either model of shares.
- 44.6 Notices of distributions and of the dates and places referred to in the above paragraphs of this article shall be published on the Company's website as well as in accordance with the regulations of the stock exchange where the shares are officially listed at the Company's request, and additionally in such a manner as the Board of Management shall deem desirable.
- 44.7 Cash dividends by virtue of paragraph 4 of article 20, article 42, or article 43 that have not been collected within five years of the commencement of the second day on which they became due and payable shall revert to the Company.
- 44.8 In the event that a distribution is in the form of bearer shares in the Company, the shares not claimed within a period to be determined by the Board of Management shall be sold at the expense of the entitled parties that failed to claim the shares. The net proceeds of such a sale shall

thereafter remain at the entitled parties' disposal, in proportion to each individual's right, it being provided that the right to the proceeds shall lapse to the extent that the proceeds have not been claimed within five years of the commencement of the second day on which the distribution became due and payable.

- 44.9 In the event of a distribution in the form of registered shares in the Company, such shares shall be recorded in the register. Holders of Model II shares shall be provided with a Model II share certificate in the aggregate par value of the newly registered shares.
- 44.10 The Board of Management may for reasons which it considers valid and under such terms and conditions as it deems necessary deviate from the provisions of this article.
- 44.11 The provisions of this article shall apply mutatis mutandis to such distributions as are not made by virtue of paragraph 4 of article 20, article 42, or article 43.

- (a) the Company's shareholders;
 - (b) holders of depositary receipts for shares issued with the Company's sponsorship; and
 - (c) pledgees or usufructuaries of shares in the Company's capital, excepting pledgees or usufructuaries of shares whereof the voting rights are vested in the shareholder and whereof the rights that the law confers on holders of depositary receipts for shares issued with the Company's sponsorship were withheld when the pledge or usufruct was created or transferred.
- 45.2 These Articles use "persons entitled to attend shareholders meetings and to vote thereat" to mean:
- (a) Company shareholders having the right to vote;
 - (b) usufructuaries or pledgees having the right to vote for the shares to which the usufruct or pledge relates.
- 45.3 With due observance of the mandatory rules of law and of the provisions of these Articles, the Board of Management may issue further instructions concerning the manner in which shareholders and other persons entitled to attend shareholders' meetings may exercise their rights.

General meeting of shareholders

Article 46

- 46.1 At the Board of Management's option, General Meetings of Shareholders shall be held at Amsterdam, Arnhem, Rotterdam, The Hague, Utrecht, Hoofddorp, Amstelveen, Noordwijk, or Apeldoorn.
- 46.2 Notice of such meetings shall be given by the Board of Management or by the Supervisory Board through an advertisement inserted in one or more national daily newspapers as well as in accordance with the regulations of the stock exchange where the shares are officially listed at the Company's request, and additionally in such a manner as the Board of Management shall deem desirable.
- The Board of Management may decide that the advertisement as referred to in the previous sentence (i) in respect of the persons entitled to attend shareholders' meetings pursuant to registered shares, is replaced by either convocation letters sent to the addresses as included in the share register, or if the person entitled to attend shareholders' meetings agrees, a readable and reproducible message sent by electronic mail to the address indicated to the Company for such purpose and/or (ii) in respect of the persons entitled to attend shareholders' meetings pursuant to bearer shares, is replaced by an announcement on the website of the Company.
- 46.3 The period intervening between the date on which notice of a meeting is given and the date fixed for such meeting, not counting either of these dates, shall be at least twenty-one days.
- 46.4 One or more persons entitled to attend shareholders' meetings who alone or jointly represent at least one-hundredth part of the total issued capital or, according to the Official List of Euronext Amsterdam N.V., representing a value of at least fifty million euro (EUR 50,000,000), may submit proposals for consideration at the General Meeting of Shareholders, provided that such proposals be submitted in writing to the Company's office at least sixty days in advance of the meeting. However, the Board of Management reserves the right not to place proposals from persons mentioned above in this paragraph on the agenda if it judges them to be evidently not in the interest of the Company.
- 46.5 Requests as meant in the previous paragraph and as referred to in article 110, paragraph 1, Book 2 of the Civil Code may be submitted electronically. Requests as meant in the previous sentence shall comply with the conditions to be adopted by the Board of Management, which conditions shall be posted on the website of the Company.

Article 47

- 47.1 Without prejudice to the other provisions of this article, the members of the Supervisory Board and the Board of Management and the persons entitled to attend shareholders' meetings shall have the right to attend the General Meeting of Shareholders.

- 47.2 Every person entitled to attend shareholders' meetings shall have the right to attend the General Meeting of Shareholders, either in person or by proxy duly authorized in writing, to address the meeting, and to the extent that he is entitled to vote, to vote thereat:
- (a) provided that he has declared his intention to do so not later than on the day named in the convening notice, which day cannot be earlier than seven clear days before the day of the meeting (not counting either the day that he declared his intention or the day of the meeting), at the venue specified in that notice; and
 - (b) in the case of a holder of bearer shares, a usufructuary with the right to vote, or a pledgee with the right to vote, provided that he has deposited the document evidencing his right not later than on the day named in the convening notice, which day cannot be earlier than seven clear days before the day of the meeting (not counting the day that the share certificates were deposited or the day of the meeting), at the venue specified in that notice, against a receipt. This receipt shall also serve as ticket of admission to the meeting.
- 47.3 The Board of Management may decide that the business transacted at a shareholder's meeting can be taken note of by electronic means of communication. Furthermore, the Board of Management may decide that each person entitled to attend shareholders' meetings (and vote thereat) may, either in person or by written proxy, by electronic means of communication vote at that meeting and/or participate in that meeting, provided that such person can be identified through the electronic means of communication and furthermore provided that such person can directly take note of the business transacted at the shareholders' meeting concerned. The Board of Management may attach conditions to the use of the electronic means of communication, which conditions shall be announced at the convocation of the shareholders' meeting and shall be posted on the Company's website.
- 47.4 The Board of Management may decide that those persons shall be considered as entitled to attend meetings or attend meetings and vote thereat that, at a record date then to be set, have these rights and had their names recorded in a register designated by the Board of Management for that purpose, regardless of who would have been entitled, at the time of the General Meeting of Shareholders, to attend the meeting, or attend the meeting and vote thereat, if a record date as contemplated in this paragraph had not been set. The convening notice for the meeting shall both state the record date and the manner in which the persons entitled to attend the meeting, or attend the meeting and vote thereat, may have their names registered and exercise their rights. These provisions shall apply notwithstanding the provisions of the second paragraph of this article.

- 47.5 To the extent that the Board of Management uses its right as referred to in the preceding paragraph of this article, the Board of Management may decide that each person entitled to attend shareholders' meetings may, within a period prior to the general meeting of shareholders to be determined by the Board of Management, which period cannot start prior to the registration date as meant in the previous paragraph, cast its vote electronically in a manner to be decided by the Board of Management. Votes cast in accordance with the previous sentence are equal to votes cast at the meeting.
- 47.6 The person entitled to attend shareholders' meetings who wishes to be represented at the General Meeting of Shareholders by a proxy duly authorized in writing shall present the proxy statement, or cause it to be presented, at the place specified in the convening notice not later than on the date named therein.
- 47.7 Any disputes on the question whether a person entitled to attend shareholders' meetings or a proxy has furnished sufficient proof of his identity to be allowed to attend the General Meeting of Shareholders and exercise the right to vote, and on all other issues connected with the correct procedure at the meeting, shall be decided by the chairman of that meeting.
- 47.8 The chairman shall decide on admission to the meeting of persons other than those entitled under this article.
- 47.9 For the purposes of this article, the Company shall have the right to go by the account of the keepers of registers as referred to in this article or in the convening notice or notices, and by the account of agencies or banks involved in ascertaining who is entitled to attend the meeting or attend the meeting and vote thereat.

Article 48

Article 49

- 49.1 Minutes of the business transacted at the General Meeting of Shareholders shall be kept by a Secretary of the Supervisory Board or, if no Secretary is present, by the person appointed for that purpose by the chairman of the meeting.
- 49.2 Such minutes shall be submitted for adoption to the chairman and secretary of the meeting concerned. The signatures of these two persons shall be evidence of such adoption. Should the chairman and/or the secretary of the meeting be unavailable, each person so absent shall be replaced by a substitute appointed by the chairman of the Supervisory Board from among the persons who attended the meeting concerned.

- 49.3 The provisions of the preceding paragraphs shall not apply if and to the extent that the business transacted at the meeting is recorded by a notary.
- 49.4 A certificate signed by the chairman and the secretary of the meeting concerned, confirming that the General Meeting of Shareholders has adopted a particular resolution, shall constitute evidence of such resolution vis-à-vis third parties.

Article 50

- 50.2 Blank votes and invalid votes shall be regarded as not having been cast.
- 50.3 If, in voting on elections, no person polls an absolute majority upon the first ballot, a second free ballot shall be taken; if once again no person polls an absolute majority, a final ballot shall be taken between the two persons who polled the largest number of votes upon the second ballot, and he shall be elected who polls the most votes. If the votes tie, the chairman shall decide. If in the above second ballot more than two persons poll the largest number of votes, the chairman shall decide which two persons shall enter the final ballot.
- 50.4 In deviation from paragraph 3, second sentence, the rule in the case of a vacancy for which a binding shortlist has been drawn up shall be that, in the event of a tie, the person placed first on the list shall be deemed to have polled most votes.
- 50.5 In a vote other than on persons, the chairman of the meeting shall decide in the event of a tie.

Article 51

Without prejudice to the provisions of paragraph 7 of article 5 and of paragraph 2 of article 6, each common share and each preferred share shall entitle its holder to one vote and each priority share to two hundred votes.

Article 52

The chairman shall decide on the manner of voting, including the possibility of voting by acclamation. If one or more persons entitled to attend the meeting and vote thereat wish to abstain from voting or vote against the proposal before the meeting and all other persons entitled to attend the meeting and vote thereat pass the proposal by acclamation, a note shall be made, if desired, of the number of blank votes or votes against the proposal.

Article 53

- 53.1 The annual General Meeting of Shareholders shall be held each year not later than June thirtieth.
- 53.2 The agenda for this meeting shall at least comprise the following items:

 - (b) adoption of the annual financial statements;
 - (c) - for discussion purposes - any changes to the policy of the Company on additions to reserves and on dividends;
 - (d) - with due observance of article 43 - the allocation of profits, and if applicable, the proposal to pay a dividend.

These items need not be included on the agenda if the term to make the annual financial statements and the report of the Board of Management available has been extended under or pursuant to the law or if a proposal for such an extension is part of the agenda.

- 53.3 If the agenda of a General Meeting of Shareholders includes the granting of discharge to the members of the Board of Management and the Supervisory Board with respect to the performance of their duties in the respective financial year, the item of discharge shall be put on the agenda as a separate item for the Board of Management and the Supervisory Board, respectively.

Meetings of holders of a particular class of shares

Article 54

- 54.1 Meetings of holders of a particular class of shares shall be held whenever the Board of Management and the Supervisory Board or either of them decide and whenever a resolution of such a meeting is required by these Articles.
- 54.2 Paragraph 3 of article 6 and articles 45 through 52 shall apply mutatis mutandis to the extent that the following articles do not deviate therefrom.

Article 55

- 55.1 Notice of meetings of holders of priority shares, holders of preferred shares generally, or holders of preferred shares of a particular series shall be sent in writing to the shareholders' addresses, as recorded in the share register, eight days in advance, not counting the day on which such notice is mailed or the day of the meeting.

Without a meeting being held, a resolution can only be adopted on the proposal of a member of the Board of Management or a member of the Supervisory Board and on condition that all holders of priority shares, preferred shares generally, or preferred shares of a particular series have declared themselves in favor of the proposal in writing. The resolution shall be entered by the Chairman of the Supervisory Board in the minute book of the meeting of holders of priority shares, preferred shares generally, or preferred shares of a particular series, which entry shall be signed by him and read in the next meeting of holders of priority shares, preferred shares generally, or preferred shares of a particular series; in addition the documents evidencing the resolution shall be kept in the minute book.

Article 56

- 56.1 Holders of priority shares may cause themselves to be represented at meetings of priority shareholders by a proxy duly authorized in writing who is himself a holder of priority shares, or by a member of the Company's Board of Management, a member of the Supervisory Board, a notary, an attorney at law, or a certified accountant.
- 56.2 A holder of priority shares who shall be required pursuant to paragraph 4 of article 13 to offer these shares for transfer shall not derive from them any right to attend a meeting of holders of priority shares, even if such shares have been offered for transfer but have not yet been transferred. No voting rights may be exercised at a meeting of holders of priority shares in respect of shares of which the holders are not entitled to attend such meeting.
- 56.3 At a meeting at which all of the capital issued in the form of priority shares is represented, valid resolutions may be adopted, provided that adoption is unanimous, even if the rules regarding the venue of the meeting, the manner of giving notice, the term of notice, and statement of the business to be transacted were not observed.

Amendment of Articles of Association; dissolution

Article 57

- 57.1 The General Meeting of Shareholders can only decide to amend the Articles of Association if the provisions of the paragraphs 2, 4, 5 and 6 of this article have been met.
- 57.2 If a proposal to amend these Articles is to be submitted to a General Meeting of Shareholders, it shall be so stated in the notice convening the meeting, and a copy of the resolution containing the text of the proposed amendment shall be held available at the Company's office for inspection by every shareholder and other person entitled to attend meetings, as specified in paragraph 1 of article 45, from the date of the notice convening the meeting until the conclusion of such meeting.

- 57.3 A resolution to dissolve the Company may be adopted only with due observance of the provisions of this article and by a majority of at least two-thirds of the votes cast in a General Meeting of Shareholders at which at least two-thirds of the outstanding capital is represented. If the required proportion of outstanding capital is not represented at such a meeting, a second meeting may be convened for a date within four weeks of the date of the first meeting. At such second meeting a resolution to dissolve the Company may be adopted by a majority of at least two-thirds of the votes cast, regardless of the capital represented. In the notice convening such a meeting it shall be stated that and why a resolution may be adopted regardless of the part of the capital represented at such meeting.
- 57.4 A proposal to amend these Articles shall require the prior approval of the meeting of holders of priority shares. A proposal to dissolve the Company shall require the prior approval of the Supervisory Board.
- 57.5 Amendment of these Articles to the effect that the special rights accorded holders of any series of preferred shares are changed, shall require the prior approval of the meeting of holders of that series of preferred shares.
- 57.6 The General Meeting of Shareholders may only resolve upon an amendment of these Articles which changes the special rights enjoyed by holders of priority shares if such change has been approved by a meeting of holders of priority shares. A resolution to give such approval must be adopted by a majority of at least three-fourths of the outstanding priority shares.

Liquidation

Article 58

- 58.1 Liquidation of the business of the Company shall be effected by the Board of Management, under the supervision of the Supervisory Board.
- 58.2 During liquidation, the provisions of these Articles shall as far as possible continue to be in force.

- 58.3 The assets remaining after payment of all debts and of the liquidation costs shall be distributed as follows:
- (a) first of all, every holder of preferred shares shall, as much as possible, receive:
 - (i) the par value of his shares plus the excess over par value paid at the time of issue;
 - (ii) an amount equaling any shortfall in the distribution on preferred shares as referred to in article 43;
 - (iii) an amount equaling the percentage referred to in paragraph 1 of article 43 (as adjusted, if necessary, by virtue of the pertinent provision of paragraph 3 of that article) of the aggregate par value after addition of the excess paid on the shares at the time of issue, calculated over the period beginning on the first day of the last full fiscal year preceding dissolution, and ending on the day of payment of the distribution on preferred shares referred to in this article, it being understood that all dividends paid on preferred shares in that period shall be deducted from the distribution by virtue of this clause (beginning at iii). If said assets should be insufficient to make the abovementioned distributions, the shortfall in funds shall be deducted from the amounts payable to the holders of preferred shares in proportion to the amounts to which they are entitled;
 - (b) next, the holders of priority shares shall as much as possible receive the aggregate par value of their shares;
 - (c) next, the holders of common shares shall as much as possible receive the aggregate par value of their shares;
 - (d) the balance then remaining shall be used to pay any arrears in dividends on the priority shares;
 - (e) any residue left after this payment shall be distributed among the holders of common shares, in proportion to their individual holdings.
