Beleidsplan

De stichting heeft geen apart beleidsplan opgesteld maar handelt vanuit de doelstelling en op basis van besluitvorming over te besteden gelden in projecten zoals in de jaarlijkse bestuursvergadering wordt geagendeerd.

Beloningsbeleid

De bestuursleden genieten ten laste van de stichting geen beloning of onkostenvergoeding.

Doelstelling

De stichting heeft ten doel het met financiële middelen ondersteunen van projecten in ontwikkelingslanden op het gebied van onderwijs, gezondheid en hygiëne, en milieubescherming. En in het algemeen noodzakelijke en nuttige voorwaarden op bovengenoemde terreinen te bevorderen, teneinde humanitaire omstandigheden voor kinderen en volwassenen in bedoelde landen structureel te (doen) verbeteren, een en ander in de meest ruime zin.

Activiteiten

Al sinds 1994 richten AkzoNobel en Plan International zich samen via Stichting Education Fund '94 op betere leefomstandigheden voor kansarme kinderen en jongeren. Meer dan 50 projecten in 15 landen heeft AkzoNobel mede mogelijk gemaakt in Zuid Amerika, Afrika en Zuidoost-Azië. In de loop der jaren is bijna € 2 miljoen geïnvesteerd en hebben ruim 10.000 kinderen de mogelijkheid gekregen goed onderwijs in veilige enhygiënische omstandigheden te volgen. Ook de medewerkers van AkzoNobel dragen bij aan Stichting Education Fund '94 via fondsenwervendeacties.

Voor de komende jaren zal de focus op Youth Economic Empowerment liggen waarbij kansarme jongeren geholpen worden aan een gerichte beroepsopleiding en toegang tot de arbeidsmarkt.

Explanatory notes to the Balance sheet and Sheet of profits and losses as per December 31, 2024

General

The equity capital of the Foundation consists of, and has been build up by:

- an amount of Gld. 1.000.000 (€ 453.780), donated in 1995, destined by the founder AkzoNobel NV to realise one or more purposes of the Foundation;
- grants or donations, including a commitment of an annual donation from AkzoNobel NV and employees, for the first time in 1995;
- inheritances, legacies, gifts or other acquisitions by the Foundation

The Foundation has no employees. The Foundation started her activities in 1995.

Standards of valuation

The Annual Report is drawn according to the "Directive fundraising institutions"
(or Directive 650)

As far as not mentioned otherwise assets and liabilities are valued at their nominal value.

Transactions in foreign currency during the financial year and liabilities in foreign currency at the end of the fiscal year are converted to respectively exchange rates on the date of the transaction and to be exchange rates at the end of the fiscal year. Differences in rates are applied in the Statement of Income and Expenditures.

Profits are accounted for in the concerning year.

Project contributions are accounted for as soon as the donations are transferred to Plan International. The liability, concluded in the prior year, is then fully financed.
