Re item 6a

Mr. T.F.J. Vanlancker is nominated by the Supervisory Board for re-appointment as a member of the Board of Management with effect from April 22, 2021, for a two-year term. Mr. T.F.J. Vanlancker will be designated as the CEO of the Company per the same date.

Re item 7a

Mr. P.W. Thomas is nominated by the Supervisory Board for re-appointment as a member of the Supervisory Board as of April 22, 2021, for a second four-year term in accordance with the Articles of Association of the Company.

Re item 8

This proposal concerns the extension of the authorization of the Board of Management as per April 22, 2021, for a period of 18 months or until the date on which the AGM again extends the authorization, if earlier:

- (a) to issue - and grant subscription rights to - shares up to a maximum of 10% of the issued and outstanding share capital on April 22, 2021, to be issued as common shares and/or preferred shares at the Board of Management's discretion;
- (b) to restrict or exclude the pre-emptive rights allowed to shareholders by virtue of the law in respect of the issue of shares or the granting of subscription rights in conformity with (a), but only regarding shares issued pursuant to a decision of the Board of Management.

Proposals of the Board of Management to issue – and grant subscription rights to – shares and to restrict or exclude pre-emptive rights are subject to the approval of the Supervisory Board.

Re item 9

This proposal concerns the renewal of the authorization of the Board of Management from April 22, 2021, for a period of 18 months or if earlier, until the date on which the AGM again renews the authorization, to acquire common shares in the Company's share capital at any time during this period. Provided that the AGM grants this new authorization, the existing authorization to acquire common shares will cease to apply.

The purpose of this proposal is to have flexibility with respect to the repurchase of common shares in the Company for among others the return of cash to shareholders or execution of the Company's share and option plans.

The number of common shares to be acquired is limited to the maximum number of shares – as permitted within the limits of the law and the Articles of Association of the Company – that the Company may at any time hold in its own share capital. The maximum number of shares that the Company will hold in its own share capital at any one time shall not exceed 10% of its issued share capital. A resolution of the Board of Management to acquire shares in the Company's share capital is subject to the approval of the Supervisory Board.

Common shares may be acquired through the stock market or otherwise, at a price between par value and the market price of the share (as quoted on Euronext Amsterdam on the day of the acquisition by or on behalf of the Company) provided that such market price shall not exceed the opening stock price on the day of the acquisition by or on behalf of the Company plus 10%.

Re item 10

It is proposed by the Board of Management, under the approval of the Supervisory Board, to reduce the issued share capital by cancelling any or all common shares in the share capital of the Company held or acquired by the Company under the authorization referred to under agenda item 9. The cancellation may be executed in one or more tranches. The number of common shares held by the Company which shall be cancelled (whether or not in a tranche) shall be determined by the Board of Management but shall not exceed the maximum of the number of shares that may be acquired in accordance with the authorization referred to under agenda item 9.

Pursuant to the relevant statutory provisions, cancellation may not be effected earlier than two months after a resolution to cancel shares is adopted and publicly announced; this will apply for each tranche. The purpose of this proposal is cancellation of common shares held by the company or that will be acquired in accordance with the authorization referred to under agenda item 9, to the extent that such shares shall not be used to cover obligations under share-based remuneration or other obligations.
