

Final Dividend 2022

The Board of Management of Akzo Nobel N.V. announces that the final dividend for the financial year 2022 is EUR 1.98 per ordinary share of EUR 0.50 nominal value. After deduction of the interim dividend for 2022 of EUR 0.44, the remaining dividend is EUR 1.54, which will be payable as of May 5, 2023 after deduction of 15% dividend withholding tax.

The following timetable is applicable for payment of the dividend:

April 25, 2023: Ex-dividend date

April 26, 2023: Record date

May 5, 2023: Payment date

Holders of ordinary shares will receive the dividend through their bank or broker in whose custody the shares are held on April 26, 2023 at the close of business (record date).

Paying agent is ABN AMRO Bank N.V. in Amsterdam.
