■ Interim dividend

Concluding remarks

Recent highlights from our Human Cities, innovation and sustainability activities

AkzoNobel

Profitability improved overall and for all Business Areas

- ↗ Volume growth in Decorative Paints and Specialty Chemicals
- ↗ Revenue down, due to adverse currency and price/mix effects
- ↗ EBIT and operating income higher
- ↗ ROS* and ROI* improved
- ↗ Net income attributable to shareholders was €285 million
- ↗ Net cash inflow from operating activities up at €600 million
- ↗ Interim dividend up 6 percent to €0.37 per share

Outlook

- ↗ Outlook unchanged. The market environment remains uncertain with challenging conditions in several countries and segments. Deflationary pressures and currency headwinds are expected to continue.

We maintain our financial guidance 2016-2018

And now for questions

A strong case for investment

- ↗ Portfolio of businesses with leadership positions in many markets
- ↗ Strong global brands in both consumer and industrial markets
- ↗ Long-term growth potential from end-user segments
- ↗ Balanced exposure across geographic regions
- ↗ Track record of improving returns and cash flow
- ↗ History of successfully commercializing innovation
- ↗ Clear leader in sustainability
- ↗ Commitment to Human Cities

Safe Harbor Statement

This presentation contains statements which address such key issues as AkzoNobel's growth strategy, future financial results, market positions, product development, products in the pipeline, and product approvals. Such statements should be carefully considered, and it should be understood that many factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, pensions, physical and environmental risks, legal issues, and legislative, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies. For a more comprehensive discussion of the risk factors affecting our business please see our latest Annual Report, a copy of which can be found on the company's corporate website www.akzonobel.com.
